## Chapter 1 by An Author

"She was beautiful, before...." Jake choked on the words, he couldn't say it. He knew this was a bad idea, but he didn't have a choice. "Before what, Jake?" soothed doctor Lanmburg.

"Before....." once again he choked, he couldn't breath this time, the doctors said that some words triggered memories that had scarred him so badly he couldn't speak when reminded of them. Finally, Jake regained his ability to breath, "I think we should call it a day, shall we?" said the doctor, worried he might damage Jake more than he already was. He stood and began to walk away.

"But I am ready to talk about **it** now" Jake stuttered before the nurse could wheel him away to his cell. The doctor Stopped. "Tell me about **it**."
